

Un-Egg Salad:

- Put in the large food processor:
 - 3 blocks of silken tofu (1.5 kilo)
 - 630 gr' cashew
 - 0.4 liter canola oil
 - 0.8 liter cream cheese
 - 0.2 liter lemon juice
 - 10 heaped tablespoons of Dijon mustard
 - 18 green onion stalks cut every few centimeters
 - 18 celery stalks cut every few centimeters
 - 5 teaspoons salt
 - 2 teaspoons pepper
 - 4 heaped tablespoons of curry
 - 2 heaped tablespoons of turmeric
 - 2 ground clusters of black salt (grind it in the garlic grinder)
 - Blend it and taste it. The taste should be quite strong, because now we are adding (after putting the mixture out of the food processor, because we will mix by hand)
 - 2 blocks of hard tofu (2 kilo), cut into very small pieces (resembling egg whites)
 - Taste
